Welcome

You are starting a module called

Engaging with the world around me: Objects

In doing the activities in this module you will be asked to:

- say
- show
- choose
- make things

You can say things by talking or signing, or by using any other means to let someone know what you want to say.

You can choose and show things by using:

- pictures
- digital recording
- other means
- photographs
- computer

or by telling someone else so they can write or do it for you. All the way through you can have as much help as you need.

As you complete each activity, you or your tutor can tick the box shown alongside the activity and the corresponding box on the **Record of Activities** page.

When you have finished the module, remember to complete the **Module Review** and **Next Steps** at the end of the book.

Record Boxes

At the end of each section you will find a page of record boxes:

This box can be used by your tutor to write an extra activity for you to do. This might ask you to practise some of the skills you have already shown, or it might ask you to do an extension activity.

This box can be used in any way to show your achievements throughout the section. It might also show what you need to work on next.

This box can be used to record your achievement by allocating a P level or other descriptor and subject area.

This box shows skills you have used well. These might be Basic Skills, Key Skills or other important life skills.

This box shows what sort of help you had.

This box shows where the work is kept in your ring binder (or other place).

The form contains the following fields:

- Activity: (with an optional label)
- Comments: Tutor/Supervisor/Learner (with an optional label)
- P level or other centre assessment tool: (with an optional label)
- Subject area:
- Level of support:
