Centre Approval Policy

1 General

1.1 Introduction

All registered centres intending to offer/ing ASDAN's regulated qualifications must successfully complete the documented Centre Approval process as well as attend mandatory training.

The requirements for Centre Approval are designed to establish whether a prospective centre:

- Can deliver ASDAN qualifications to the required regulatory and qualification specifications.
- Has the necessary resources and training to deliver assessments to candidates equally, safely and securely.

1.2 Process

See the ASDAN Centre Approval Guide for details relating to new centre approval. [Download the guide here.](#)

ASDAN's Centre Approval process requires prospective centres to:

- Provide a signed centre agreement clearly specifying the role and responsibilities of the centre in their dealings with ASDAN as the awarding organisation.
- Be visited, either face-to-face or remotely, by an ASDAN External Quality Assurer (EQA), to ensure they have in place the policies and procedures required by ASDAN and the regulators.
- Complete all EQA actions within an eighteen month window from the date of the original approval visit. If this process is longer than eighteen months a new approval visit will be required and is subject to the full fee being charged.
- Provide additional information relating to any previous experience in delivering similar types of qualifications and plans for delivery.
- Attend mandatory training prior to delivery of the qualification/s, ensuring that themed support and qualification update events are attended to ensure that qualification changes are adopted in the centre. Should a centre not have attended training or support within a five year period then mandatory retraining will be required.

This policy addresses the following Ofqual General Conditions of Recognition (GCR).

GCR Reference – C2
C2.1 Where a Centre undertakes any part of the delivery of a qualification on behalf of an awarding organisation, this condition applies in addition to the requirements in Condition C1.

Centre Approval Policy

ASDAN will manage the Centre Approval process within the following parameters:

- Applications for centre approval will be processed in accordance with the General Condition of Recognition C2, Arrangements with Centres.
- Core centre information will be banked so that any future approval will relate only to the additional qualifications the centre is seeking to offer or for centres that leave and return within a twelve month window.
- All information held by ASDAN will be subject to the requirements of the General Data Protection Regulations.

2.1 Mandatory Annual Requirements

Centres must, on an annual basis complete and update the following on the ASDAN website:

- The annual centre agreement.
- An annual conflict of interest declaration, ensuring that any conflicts which arise are communicated to ASDAN immediately. ¹
- The satellite and partnership declaration, ensuring that any arrangements which are put in place are communicated to ASDAN immediately. ²
- The centre's staff details, ensuring that these are updated whenever changes occur.

2.2 Downgrading a centre to a lower level

Where an approved centre has not purchased candidate registrations for any regulated qualification for which they are registered, for a period of 3 consecutive academic years, ASDAN will review and may withdraw the centre's approval status and downgrade the membership to a lower level.

Where an unapproved centre fails to address EQA actions set at the approval visit, ASDAN will review and may withdraw the centre's qualification application and downgrade the membership to a lower level.

The centre would be required to undertake the centre approval process in order to be reinstated as a qualification centre.
